LOCAL MATTERS

Fun rises tomorrow at 6:18 a. m. and sets at 5:07 p. m. High water at 4:03 a. m. and 4:25 p. m.

WEATHER PROBABILITIES.—For this section fair and cooler tonight; Friday fair; fresh northwesterly winds.

CASE DISMISSED.—Robert Johnson, colored, who was arrested yesterday on the charge of stealing a watch, bracelet and money from Wm. Dugan early Tuesday morning, was arraigned in the Police Court this morning. The evidence was to the effect that Dugan, who had attended a ball Monday night, fell asleep in a chair in Kelly's saloon, northwest corner of Wolfe and Alfred streets, and when he awoke he discovered that his watch, pin and money were missing. He had reason to believe Johnson had robbed him and accused him of the crime. He succeeded in recovering the watch and said he would be willing to lose the money if he could get the pin. When he applied for a warrant he said Johnson had refused to surrender the pin. This morning, however, the plaintiff testified that he had found the missing article in his coat pocket. He did not seem disposed to prosecute Johnson and the Mayor dismissed him. The accused was immediately arrested on another warrant which charged him with assaulting a woman. He will be tried tomorrow.

YOUNG GRIFFIN'S CONDITION.—The condition of William L. Griffin, who was shot by Robert Hopkins Tuesday night, had undergone no change early this morning, and his injury is causing his relatives and friends much anxiety. The wound is of a very serious nature and the outcome at present is problematical. There is, it is thought by some, a possibility of convalescence, but the aspect of the case viewed by others as grave and the worst is feared. Everything possible in the line of modern surgery and careful attention is being resorted to for his relief, but so far the wound shows no disposition to yield to treatment. At half-past three o'clock this evening his condition was thought to be worse.

ARRESTED ON SUSPICION.—A man who gave his name as J. T. Carson was arrested this morning on suspicion of being wanted in Washington for some offense. He answered the description in every particular and will be held until an officer from that city arrives here. Carson has been in the city for several days, at first appearing as an umbrella-maker and later as a rejuvenator of old furniture. He protested this morning against being kept in duress and attempted to prove to the Mayor that he had the wrong man. His honor told him he had no charge against him and when it was proved he was not wanted in Washington he would be released.

WEDDING.—A quiet and pretty home wedding occurred at 8 o'clock last night at the residence of Mr. and Mrs. Frank Larmand, 115 south Columbus street, when their eldest daughter, Miss Jennie Larmand, became the bride of Mr. Alexander E. Slaymaker, a well known and popular gentleman. The ceremony occurred in the parlors and was witnessed by only a few immediate relatives and friends of the contracting parties. The bride was becomingly attired in a pretty dark blue traveling gown. The ceremony was performed by Rev. Barryman Green, of Christ Church. After the ceremony the couple left for their future home at Del Rey, Alexandria county.

CONCERT.—Preparations are in progress for the concert to be given to the benefit of St. Mary's Catholic Church on Tuesday, November 5. The concert will be under the direct management of Rev. Father M. J. Ahern, assistant pastor of St. Mary's Church. Some of the best talent in Washington and this city, including members from many of the choirs of prominent churches in Washington, has been secured. No pains have been spared to make the affair a grand success and an interesting occasion is assured all who may attend.

HIGH SCHOOL TEAM VICTORIOUS.—The Episcopal High School football team yesterday afternoon defeated the team representing the Emerson Institute, of Washington, on their own grounds, by a score of 15 to 6. Hunter's 60-yard run for the High School and Morrison's goal from the 25-yard line for Emerson Institute were the special features of the game. Hoge and Treat did excellent work for the High School.

REPUBLICAN MEETING.—Col. J. Hampton Hoge, republican nominee for Governor, will speak in the Opera House tonight. Colonel Hoge will be introduced by Mr. Joseph L. Crupper, chairman of the city committee, and he will probably be the only orator of the evening. Music will be furnished by a brass band. This will be the first political speech here since the opening of the gubernatorial campaign.

BIDS OPENED.—The bids for furnishing the city with granite curbs and curbing brick for paving and curbing King street, from Fairfax to the river, were opened today. There were two bids for furnishing curbs and the contract was given to the Mt. Airy, N. C. Granite Company at 46 cents per foot. Four bids were received for furnishing brick, but the contract has not yet been given out.

K. OF C.—The national festival of the Knights of Columbus is the anniversary of the discovery of America, October 12, or any Sunday of October. The Alexandria Knights will celebrate next Sunday, going to Washington on the 6:15 a. m. train and on the solemn vespers of Knighthood at St. Patrick's Church.

THE GOLF CLUB.—A meeting of the Alexandria Golf Club was held last night, when it was determined to erect a clubhouse on the Shooter's Hill Links. Seven new members were elected. The club is now in a most flourishing condition.

TO CURE A COUGH IN ONE DAY.—Take LAXATIVE BROMO-QUININE TABLETS. All the doctors refund the money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

C. M. Phelps, Forestville, Va., says his child was completely cured of a bad case of eczema by the use of Dr. Wm. L. Griffin's Balm. Beware of all counterfeits. It instantly relieves piles. For sale by E. S. Leadbetter & Sons.

SMELTS IN DEMAND.—It is thought that notwithstanding the fecundity of the smelt there is a likelihood of it becoming extinct in the Potomac—that is if the disciples of Isaac Walton continue to multiply, and there is every indication they will. The number engaged in angling for them is being augmented daily and nearly all the docks on the river front have lines on them during the morning hours. The small fish are used for bait by those who angle for black bass which have of late become numerous in the river. Some make a business of catching smelts and selling them by the dozen to people who desire to go fishing. Between the bass and the fisherman the smelt is destined to become as scarce as goldfish.

HABEAS CORPUS.—In chambers in the County Court today Judge Love heard the habeas corpus proceedings of Rosa M. Miercio, an Italian woman, against the Sister Superior of the Sacred Heart Orphan Asylum at Fostoria, in Alexandria county, for the recovery of her two-year-old daughter, who had been placed in that institution some time since. The woman was represented by Messrs. Machen and Moore, but the Sister Superior had no attorney. After hearing the case the child was committed to the care of its mother.

ACCIDENT TO AN ALEXANDRIAN.—Roy D. Jones, one of the young men who left here a few weeks ago to work in a steel mill in West Virginia, was the victim of a serious accident a few days ago, and it is feared his injuries will incapacitate him for work in the future. While engaged in the mill he was seriously burned on the limbs and body. He has written to his people in this city describing the accident and his injuries, and they will send him means to which to return home.

SENT TO A REFORM SCHOOL.—An incorrigible boy named William Lloyd was arrested and taken before the Mayor this morning. This youth has proved an annoyance to numbers of people in this city for some time. Last Saturday night he allowed himself to be locked up in the Market House. His father is dead and his mother has long since found him unmanageable. The Mayor sent him to Washington in charge of an officer in order to have him placed in a reform school.

BROUGHT BACK.—City Sergeant Cox went to Fairfax Courthouse today and brought Willis Pettit back to this city and lodged him in jail. Pettit, it will be remembered, was arrested last August at the instigation of Mrs. Roberta Payne, who alleged that he attempted to criminally assault her. The accused was taken to Fairfax Courthouse next day in order to avoid trouble, which was apprehended from a mob. Pettit still maintains he is innocent of the charge urged against him.

"THE DEESTRICK-KULE," which is to be given at the O. R. House on Wednesday, November 6, for the benefit of Grace Church repair fund, has made more money for charity than any other known entertainment of its kind. Everything is being done to make it a success. Mr. Wm. H. Conley, of Washington, has been engaged for the part of "Socrates Wimpippen," the schoolmaster. He will be assisted by Miss Myra L. Cavalier and a clever company of local amateurs.

FINED TEN DOLLARS.—The findings of the court martial which last summer met in this city to investigate charges of insubordination preferred by Capt. J. B. King, of the Alexandria Light Infantry, against private J. B. Ewald, of the company, have been made public. Private Ewald is sentenced to pay a fine of \$10.

CONFERENCE.—The quarterly conference of the Free Methodist Church will convene to the church on north L street on Friday next and continue until Sunday night. A love feast will be held in the afternoon. Rev. Mr. Eakins, of Philadelphia, will preside during the conference.

Marriage licenses were issued in Washington to the following yesterday: William H. Lewis, Jr., of Manassas, and Mary W. Over; William F. Sexton and Louise W. Grob, both of Loudoun county; Burton W. Ross and Lillie W. Cobb, both of Orange; Henry Arthur, of Fredericksburg, and Ida Jackson; Reed Calshaw and Roberta Luckett, both of Alexandria.

A marriage license was issued in Baltimore yesterday to William Nelson Brown, of Gainesville, Va., and Caroline Carter Taylor, of Bradshaw, Maryland.

A Convincing answer.
"I hobbled into Mr. Blackmon's drug store one evening," says Wesley Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism with which I had suffered for a long time. I told him I had no faith in any medicine, as they all failed. He said: 'Well, if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to the directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by Richard Gibson.

The reputation and continued success of our Friday Bargain Sale rest upon merit alone. We state the facts as briefly and tersely as we know now, and our customers respond so quickly and so often because they know our statements to be fact—always. Remnants accumulate quickly; odds and ends gather thick and fast and continuously; merchandise becomes soiled, musty, or otherwise unsuitable for regular stock. These are the inevitable results of an active, progressive business. And our policy demands the immediate and complete clearance of all such goods, we put low prices on them to accomplish this end. Stocks of remnants this week of every kind and condition, and all marked for easy buying.
